(6) and (7)

The present shortage of the supply of kerosine oil is general throughout India. Every effort is being made in consultation with the Oil Companies to improve the situation. Government have sanctioned the appointment of Control Committees wherever necessary to look to the equitable distribution of the oil stock with the Sub Agents.

Suggestions made by non-official gentlemen will be duly considered by Government.

WJ 6/3/4

Will the Government be pleased to state whether it has taken cognizance of the crops grown during the current year?

(b) If so, what is the quantity that is available for consumption to the population of the State till the next harvest?

(c) Is it likely that there will be a shortage of foodstuffs for consumption this year? If so, what is its extent? What steps will Government take to meet the shortage?

Is it not highly desirable to commandeer the existing food-stuffs and control them till the next harvest by effectively preventing clandestine exportation?

A rough estimate of the output of the new harvest has been prepared
